> Stephanie, I am unable at this time to access the system to get an emergency TA amendment for my trip here to Silverton, CO to work on the Red and Bonita Mine (08UPRV). Originally I was to be here from Monday through tomorrow, but now we have an emergency situation and I will need to stay until Wednesday the 12th. I will have change my motel as this one is booked for the week and all here in Silverton are full. I will try and make arrangements at the Cascade Village in Purgatory, CO as they have plenty of rooms and others of our group are there.
